9 – 3:45 pm The Headshot Lounge

Your “digital self” is just as legitimate as your tangible, real self. Most of the time, people do business with a person, and not the company. A new professionally-taken headshot allows you to update your professional brand, influences how leadership and key influencers in the payments industry see you, and helps you build relationships with internal and external clients. Reserve your spot for The Headshot Lounge, which features experienced professional photographers and stylists. This is free to Summit attendees but space is limited.

8 – 9 am Awards Breakfast and Opening Remarks
